Explanations	

It has been evaluated to implement the approved second flat glass line project of Saint Gobain Glass Egypt SAE, domiciled in Egypt, in which we have 30% stake through our wholly owned subsidiary Sisecam Investment B.V. ("SIBV"), founded in the Netherlands, by establishing a new company.

At our Board of Directors meeting, it was decided for our subsidiary SIBV to establish a new company in Egypt in partnership with Saint Gobain Nederland Beheer B.V and Ali Moussa for the realization of the second line investment, and to participate in the capital of the newly established company with 30% share for a payment of 5,046,000 EUR or its equivalent in local currency.
