Explanations	

As announced in our public disclosure dated 27/10/2021, within the scope of the preliminary investigation conducted by the Competition Board ("Board") in 2021, our Company and its subsidiary Şişecam Çevre Sistemleri A.Ş. provided commitments regarding waste glass recycling activities, which were subsequently made binding by the Board. Following the examination regarding whether the notification obligations arising from these commitments have been fulfilled and whether the commitments have been adhered to, the Board decided to initiate an investigation against our Company and its subsidiary, Şişecam Çevre Sistemleri A.Ş., pursuant to the subparagraph (b) of the fourth paragraph of Article 43 of Law No. 4054 on the Protection of Competition. As part of the investigation, the Board also decided to initiate a separate investigation directly against Şişecam Çevre Sistemleri A.Ş. to determine if there has been a violation of Article 4 of Law No. 4054.

In case of a discrepancy between the Turkish and the English versions of this disclosure statement, the Turkish version shall prevail.
